

DRAGONFLY CLASS

BULLETIN

22ND SEPTEMBER 2025

This Week's Learning

We will be spending time focusing on our rules:

Be ready
Be safe
Be respectful

In PE, we will be learning to accurately throw an object towards a target.

In Computing, the children have been identifying examples of technology and explaining how technology helps us in day to day life. We will now be moving onto turning a computer on and logging on.

This week's sounds:
Year 1 - 'ie' saying /igh/

Year 2 - Adding -es to words ending in 'y'

Uniform

Please ensure any headbands worn are plain. Studs are the only ear accessory children should wear.

On PE days, it is helpful if children with long hair have it tied up.

Reading at Home

Reading at home makes all the difference to the progress your child makes. Children are expected to read daily and at least **four times** with an adult at home. Please ensure you fill in your child's Reading Record consistently.

Reminders

- Reading Records checked daily
- PE - Tuesday and Friday

THE CHILDREN MADE THEIR OWN FIERY BUILDINGS USING DIFFERENT TYPES OF PAPER AND CUTTING AND TEARING SKILLS.
