

Cultural capital

We provide enriching experiences, broadening horizons, fostering curiosity, resilience, and aspiration, preparing children for life and opportunities beyond school.

Intent	Implementation	Impact
<p>Our computing curriculum aims for children to</p> <ul style="list-style-type: none"> ● Access experiences, knowledge, and skills beyond the classroom that develop curiosity and aspiration. ● Appreciate arts, culture, heritage, and local community contributions. ● Develop social, moral, spiritual, and cultural awareness. ● Gain exposure to diverse careers, industries, and educational opportunities. ● Build confidence, resilience, and ambition through experiences that enhance personal growth and understanding. 	<p>Our curriculum is structured for coverage, progression, and depth:</p> <p>We achieve our intent through:</p> <ul style="list-style-type: none"> ● Enrichment opportunities: Educational visits, workshops, performances, museum trips, and local heritage projects. ● Arts and cultural activities: Participation in music, drama, visual arts, and creative projects across the curriculum. ● Community engagement: Involvement in local initiatives, volunteering, and events to strengthen social responsibility. ● Cross-curricular integration: Cultural capital embedded in English, history, geography, science, and RE learning. ● Reflection and discussion: Opportunities for children to reflect on experiences, develop values, and make connections to personal development. 	<p>By the time children leave Stadhampton Primary School, they will:</p> <ul style="list-style-type: none"> ● Have experienced a wide range of cultural, artistic, and community activities. ● Develop confidence, resilience, and ambition for future learning and life. ● Show curiosity and awareness of diverse careers, cultures, and communities. ● Apply learning from experiences to enrich academic, social, and personal development. ● Demonstrate social responsibility, empathy, and respect for diversity.
