

Art

Through our Art curriculum we nurture creativity, imagination, and self-expression, developing artistic skills and an appreciation of diverse styles.

Intent	Implementation	Impact
<p>Our art curriculum aims for children to</p> <ul style="list-style-type: none">● Develop artistic skills across a range of media and techniques.● Explore and appreciate a wide range of artists, styles, and cultural influences.● Express ideas, feelings, and observations visually.● Build confidence and resilience in developing and refining their work.● Encourage curiosity, experimentation, and personal interpretation in creative processes.	<p>Our curriculum is structured for coverage, progression, and depth: We</p> <ul style="list-style-type: none">● Use Bloom's taxonomy to plan lessons, developing knowledge, understanding, application, analysis, evaluation, and creative thinking.● Structure progression: Skills and techniques are sequenced from EYFS to Year 6.● Use diverse media and techniques including painting, drawing, printing, sculpture, textiles, digital art, and mixed media.● Encourage art appreciation: studying artists and cultural art to inspire and inform children's own work.● Provide opportunities for individual, group, and whole-class projects, including exhibitions and displays.● Adapt and extend our curriculum to ensure all learners make progress	<p>By the time children leave Stadhampton Primary School, they will:</p> <ul style="list-style-type: none">● Demonstrate confidence and skill across a range of artistic media.● Produce creative, imaginative, and well-considered artwork.● Use art vocabulary accurately to describe techniques, materials, and styles.● Be able to reflect on and evaluate their own and others' work constructively.● Appreciate cultural diversity through exposure to a wide range of artists and styles.● Leave school with enthusiasm for creativity and the confidence to continue exploring visual arts.
