

LADYBIRD CLASS

PEEK AT THE WEEK ~ 17.11.25

Hello!

For parents who are used to seeing Ladybird children take part in the KS1 Christmas Play, please note that we will not be joining the performance this year. Instead, we will be focusing our time on rehearsing for the Christmas Carol Service on Friday 19th December at 11:15am, where the children will be performing the nativity. We would be delighted to welcome Ladybird parents to support the children at this event.

There will be plenty of other in-school activities for the children to enjoy—please keep an eye on the school newsletter for upcoming dates and details.

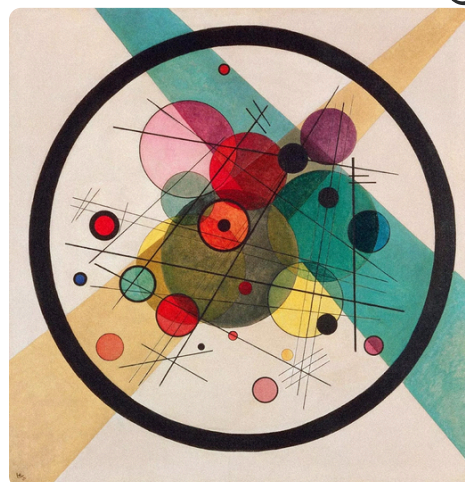

This week's learning

Phonics - our phonemes for this week are from set 5, they are h and b . Our tricky words are - no, go, l.

Maths - Block 5 - 1, 2, 3, 4, 5. We will be focusing on 4 and 5, subitising and representing the numbers as we deepen our understanding of them.

Literacy - Our book this week is 'How to Catch a Star' by Oliver Jeffers. It links to our current topic on space and also the show we watched in the planetarium at the Science Centre.

Science - We will be using our senses to explore natural items you may find at this time of year.

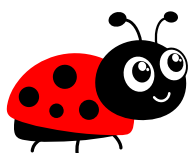

ART

- The piece of art work we will be taking a closer look at over the coming weeks is called - Circles in a circle by Wassily Kandinsky.
- The art work links to our maths learning from last week.

Contact

You can reach me by email. I aim to answer emails within 24 hours, if they are sent after 5pm on a Friday this may be longer.
