

LADYBIRD CLASS

PEEK AT THE WEEK ~ 9.2.26

Hello!

The final week of this half term and we are half way through the academic year! As I am sure you are aware the school grounds are very muddy, there is almost as much mud on the hard playground as the field now. We are hoping the half term break and some drier weather will help!

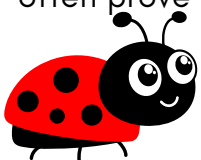

This week's learning

Phonics - Level 3 - Our sounds this week are /oo/ (long) as in moon, /oo/ (short) as in book and /ar/ as in star and our new tricky word - you. You will find accompanying sheets on the Ladybird page of the school website. Please look in book bags this week for new bookmarks with words to practice reading at home, thank you.

Maths - our maths learning this week is about length, height and time. We will be exploring and comparing lengths and heights, and finding out what we can do in a minute.

Literacy - we don't have just one book this week but a collection. We will be creating a non-fiction fact file with the title 'What is it like to be me!'

Handwriting - our handwriting letters for this week are those in the zig-zag monster family, they are v, w, x and z. These letters often prove tricky to get the angle just right.

TOPIC

- UTW - The Natural World - this week we will look at recycling, asking the questions 'What types of objects can we recycle and how do we do it?' We will also consider why we should recycle.
- UTW - People and Communities - as part of people who help us topic we will be looking at the work of a dentist.

Contact

You can reach me by email. I aim to answer emails within 24 hours, if they are sent after 5pm on a Friday this may be longer.
