

LADYBIRD CLASS

# PEEK AT THE WEEK ~ 9.3.26

**Hello!**

Welcome to this week's newsletter. Parent meetings are fast approaching - they will take place during the final week of term. Please look out for the ParentMail message that allows you to book a slot. Thank you.

## This week's learning

**Phonics** - Level 3 - Our sounds this week are /ear/ as in ear, hear and /air/ as in air, chair, these are trigraphs and the children do know and use the terminology of digraphs (two letters making one sound) and trigraphs (three letters making one sound). We have two tricky words to learn to read this week - are, all. You will find accompanying sheets on the Ladybird page of the school website. Please look in book bags this week for new bookmarks with words to practice reading at home, thank you.

**Maths** - Building 9 & 10 continues this week - this unit contains a lot of key concepts and skills the children will need on their maths journey - we will look at the composition of 10 and number bonds for 10.

**Literacy** - Our book this week is The Big Book of Bugs - this is a non-fiction look at different bugs we may find in and around our gardens.

**Handwriting**- Our focus this week is number writing. We will continue to look at letter formation through our writing.

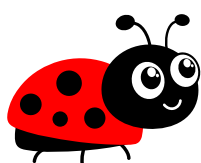

## OUR TOPIC LEARNING

- Science Week - the theme this year is - Curiosity - what's your question?
- We are going to be thinking about the types of questions we could ask and understanding the difference between a question and a statement/fact.
- We will look at question words - who, what, where, when, why and how.
- What questions can you as a family think of about the world around us?

## Contact

You can reach me by email. I aim to answer emails within 24 hours, if they are sent after 5pm on a Friday this may be longer.
