

## LADYBIRD CLASS

# PEEK AT THE WEEK ~ 23.3.26

### Hello!

Welcome to this week's newsletter. The final week of the Spring Term, it is hard to believe the children only have one term left in reception - I am looking forward to seeing you at the meetings this week.

### This week's learning

**Phonics** - As we have now completed Level 3 we will be recapping what we have done this term, ready to start Level 4 after the holiday. We will be revisiting all the tricky words from Level 3 this week. You will find accompanying sheets on the Ladybird page of the school website.

**Maths** - Exploring 3D shapes. We have already looked at 2D shapes and so now we move on to the names of common 3D shapes, thinking about how they are different to 2D shapes and where we find them in the environment.

**Literacy** - We don't have one book this week but a collection, as our focus is penguins and building a fact file about them. What can we find out about penguins from a range of non-fiction books?

**Handwriting** - Our focus this week is capital letters - we will do P to Z. We will continue to look at letter formation through our writing.

### OUR TOPIC LEARNING

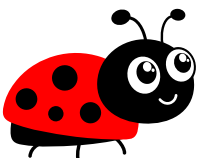

- For our topic on animals we will explore what we know about mini-beasts? Can we name them and how can we look after them? Where do they live and what do they eat?
- We have this term looked at important times for different cultures and faiths - Chinese New Year, Ramadan and Eid, this week we will find out about the Christian festival of Easter - why it is important to Christians and what type of activities Christians do to celebrate it?

### Contact

You can reach me by email. I aim to answer emails within 24 hours, if they are sent after 5pm on a Friday this may be longer.
