

# PEEK AT THE WEEK ~ 20.4.26

## Hello!

Welcome to this week's newsletter.

We have a slightly different week this week as it is careers week and we have lots of visitors popping in to tell us all about their job.

## This week's learning

**Phonics** - Level 4 continues this week. To ensure the children are able to fully grasp the concepts of level 4, we are taking two weeks to complete each week of the level 4 program. You will find accompanying sheets on the Ladybird page of the school website.

**Maths** - Our first block this term is - To 20 and beyond. We will learn verbal counting beyond 20 this week, exploring any patterns that help us along the way.

**Literacy** - Our book this week is by Eric Carle and is called 'The tiny seed' - a link to our growing and changing topic.

**Handwriting**- During handwriting we are completing dictation sentences, so we can focus on letter formation, phonic knowledge and sentence writing skills.

## PE

**This week only** - our PE session will be on Tuesday, as part of our careers week visitors. The children may wear what they have on for Forest School and their trainers are in school.

We will not have PE on Wednesday - this is class photos day and the children need to be in school uniform, please, thank you.

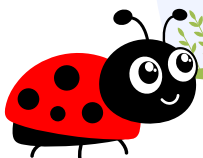

## OUR TOPIC LEARNING

- Careers week - we will be finding out about lots of different professions and taking part in a range of activities.
- Friday afternoon is the finale - please see the ParentMail message about this. If you are not able to come, please let me know - thank you.

## Contact

You can reach me by email. I aim to answer emails within 24 hours, if they are sent after 5pm on a Friday this may be longer.
