

LADYBIRD CLASS

PEEK AT THE WEEK ~ 7.9.26

Hello!

Welcome to the new year at school. A very warm welcome to new families to school and an absolute pleasure to welcome returning families. I hope you have all had a lovely summer.

In this newsletter you will find details of the learning for the coming week. The newsletter will be uploaded to Tapestry and available on the Ladybird page of the school website.

OUR TOPIC LEARNING

- During the term we will be focusing our topic learning on the history of farming, as well as what makes us special and people who are special to us in PSHE and RE. Our bodies and naming body parts like head, arm, leg etc... alongside exploring our senses in science. There will be a weekly spanish session and cultural capital this year will focus on extraordinary people who have led extraordinary lives – starting with musicians.
- We are lucky to have weekly Forest School sessions for all Ladybirds.

This week's learning

Our learning for this week centres on our new classroom, friends, rules and routines. What are our school routines and what happens during the day?

Listening to stories and introducing ourselves to our new friends.

Taking part in simple activities that show the skills we already have and talking with the adults that are new to us.

The coming week is all about settling into school, our phonics, maths and other curriculum areas will start next week, along with Forest School and PE for Year 1.

Contact

You can reach me by email. I aim to answer emails within 24 hours, if they are sent after 5pm on a Friday this may be longer.
