Peek at the Week

WC 21st September

THIS WEEK

Phonics - adding -es to words ending in 'y'

Maths - Continuing with place value: flexibly partitioning numbers to 100 and moving on to 10s and 1s on number lines.

Geography - The seas around the UK.

DT - Fruit and veg tasting and starting to design a healthy snack prototype.

English - Starting to build the sections of our pirate reports, using exciting vocabulary.

Science - Comparing two different routines and evaluating if they are healthy.

Music - we will practise singing as an ensemble and in a round to our new ocean song.

REMINDERS

- Forest school clothing for Tuesday
- PE kit on Thursday
- Read four times at home

HIGHLIGHTS THIS WEEK

Germ experiment

We will be using moisturiser and glitter to investigate how germs spread. Please let me know if your child has sensitive skin.

Activity investigation

As part of our science learning, we have decided to time our daily mile times over the term and take a weekly average. We will compare if our fitness improves
