

LADYBIRD CLASS

PEEK AT THE WEEK ~ 5.10.26

Hello!

Welcome to this week's peek!

I would like to bring to your attention a way of entering school in the morning if you park by the Church. There is a gate in the fence by the side of school which is safe and easily accessible, rather than the need to negiotiate the narrow path along the main road. If you are unsure where the gate is or how to get to it, then do please ask.

On Friday afternoon, 2.45pm, we have an OPAL come and play session. This is the opportunity for you to see all the activities the children have at playtimes. Please see the school newsletter for further information.

OUR TOPIC LEARNING

- **History/UTW** - This week we continue finding out what life was like on an early farm, what did early farmers have to do.
