WELL DONE, BRODY & OLIVER!

READING RECOMMENDATIONS

This weeks book recommendation by Mrs Wahid

The House with Chicken Legs by Sophie Anderson

I read this book a number of years ago and it has stayed with me for all the right reasons. This beautifully written story follows Marinka, a young girl who lives in a house that walks on giant chicken legs. Marinka's grandmother is a Yaga, someone who guides souls to the afterlife, and Marinka is expected to follow in her footsteps. However, she longs for a normal life and friendship of her own, leading to a magical and emotional journey of discovery.

The novel is rich in folklore, adventure and emotion, with themes of family, destiny and finding your own path. It is a gripping read that captures your imagination while also encouraging deeper thinking and discussion.

This book is perfect for older children who enjoy magical stories with heart and meaning.

I loved the story so much that I contacted the author and she was kind enough to reply with a lovely message!
